

Mrs. Woodland's Class News

Week of August 29, 2016

Dates to Remember:

- 9/5 Student/Staff Holiday
- 9/6 First day PTA fundraiser
- 9/9 Principal Coffee/PTA Volunteer Breakfast
- 9/20 Parent Orientation
- 9/23 PTA General Meeting, 8:00 a.m.
- 9/25 Watch DOGS Kick-off, 2 p.m.
- 9/27 Student Picture Day
- 9/30 Last day PTA fundraiser

What we will be learning:

Math ~ We are reviewing number patterns like the ones seen on dice and dominoes. We are also learning the FISH strategy for problem solving and key words (in all, total, add, altogether) for addition in word problems.

Language Arts ~ We are setting expectations for Daily 5 routines when we are READING TO SELF and WORKING ON WRITING. We are reviewing the parts of a book and story elements (characters, setting, problem, solution). We are learning about nouns and sorting them into categories.

Science ~ We are identifying what a scientist is and what he/she does. We have learned that we are all scientists because we discover, explore, experiment, and record data. We are learning about the SCIENTIFIC METHOD and using the process when experimenting.

Social Studies ~ We are discussing following rules, being a good citizen and developing a mission statement for our class.

BEE Book:

Thank you for signing your child's BEE Book everyday! The children are doing a great job taking/bringing the BEE Book to/from home and school daily.
