March 2<sup>nd</sup> – Science Night

March 8<sup>th</sup> – Student Led Conferences, 8:00 am and Class Pictures, 9:00 am

March 13 – 17<sup>th</sup> – Spring Break

#### What we will be learning:

Math ~ We will be reviewing place value – hundreds, tens, and ones and skip counting

Language Arts ~ We will continue learning about nonfiction text features and how readers use this information to aide their comprehension of the text. We will be preparing for our upcoming research project by selecting an animal to research, take notes on a graphic organizer, and make a book.

Science ~ We will be learning about living and nonliving.

Social Studies ~ We are learning about presidents George Washington and Abraham Lincoln. We will be discussing their contributions to our nation and determining which of the 7 Habits they most portray.

#### Notes:

Read Across America Week kicks off on Monday, February 27<sup>th</sup>. Please allow your child to bring some of his/her favorite Dr. Seuss books to share with the class. The books will be returned at the end of the week. Thanks!!!

Student Led Conferences will be held at 8:00 am on Wednesday, March 8<sup>th</sup>. There will be a note coming home regarding this conference in the Thursday Folder.

Have a great week!!
