

Mrs. Woodland's Class News

Week of October 10, 2016

Dates to Remember:

October 14th – PTA Movie Night, 7:00 pm

October 21st – Principal Coffee, 8:00 am

October 24th – Book Fair Week

What we will be learning:

Math ~ We are learning addition and subtraction strategies to help us remember math facts. Some of the strategies are counting on, doubles, doubles plus 1, etc.

Language Arts ~ We will continue working on comprehension strategies to help us retell a story that we have read. When reading we should be able to remember characters, setting, problem, solution and beginning/middle/end. We should be able to connect our reading to personal experiences, other books we have read, or something happening in the world around us.

Science ~ We are learning about matter (what it is and the forms –solid, liquid, gas).

Social Studies ~ We will continue identifying and discussing Texas symbols.
